“ I had several weeks of driving lessons with Sandy, I wanted to brush up my skills and improve my confidence after not having been behind the wheel for 10 years. She was very reassuring and gave me useful feedback at just the right pace - a really good teacher and nice person. ”

“ Sandy is such a lovely person and i instantly got along with her. She was very clear on instructions and how to drive. She gave me plenty of confidence by encouraging me and constantly telling me im doing a great job. She is also very good to talk to about any doubts or any questions and very good at listening to them and giving instant feedback. I will recommend everyone i know to learn how to drive with this woman, i was very pleased with passing my practical test second time! Thank you ”

“ When I first started my lessons, I was nervous. Sandy helped me relax and boosted my confidence. She would always asks if there is anything I are unsure of and would never make me feel rushed. She would take the time to make sure i was happy with everything we were doing. Lesson are great value for money and i would always get my full lesson time.

Sandy is a fantastic instructor. Both me and my mum have now passed with her and I would highly recommend her to anyone.

Thank you Sandy. ”

“ Sandy was one of two instructors i used, the first damaged my confidence but Sandy bought it back tenfold. Sandy is so relaxed you feel at ease the whole time. Any manoeuvres i was unsure of Sandy made me practise again and again, but in my own time. i passed my test first time round with only 9 faults. . . and its all thanks to Sandy. i am now sad that i wont be seeing her weekly! x ”

C. P. Ramsgate “ I was extremely pleased with Sandy. She is an excellent instructor. I knew how to drive cars in the continent (with the wheel in the left hand!) and I had not driving in the UK for the last 5 years. She was very patient and during my lessons she gave me the essential information to pass the test and to recover my self-confidence when driving. I took less than 20 lessons with her and I passed my test first time. I am so happy I can have my own car again! Thank you very much Sandy! ”

Janet Martin Ramsgate “ I learnt to drive with Sandy, she is a very patient pleasant person and gave me brilliant tuition, she boosted my confidence ten fold, and finally at the grand old age of 47 I passed my driving test, don't think I would have done it without Sandy, my daughter is now taking lessons and is doing very well, great value for money, I would highly recommend Sandy to anyone out there wanting to drive she will definitely get you there. Thank you so much Sandy.
